### **TO WHOM IT MAY CONCERN**

Ewen Munro has been receiving coaching through my tennis program for the last 4 years. Over this time Ewen has demonstrated enthusiasm and a willingness to develop his tennis game.

Ewen competes in regular week to week competition including school holiday tournaments. He is Captain and number one of the Tennis Open A-Grade team for St Andrews Cathedral School, who also train at Sydney University Sport each week during the winter.

Subjects selected by Ewen at school include, biology, modern history, PDHPE, Math's advanced, Math's extension and advanced English indicating favorable academic competencies.

Ewen indicated he will be applying to Colleges in the US regarding tennis scholarships (Div 2). If successful this will further develop Ewen mentally and physically which can only benefit his development as a tennis player.

I wish him all the best in his future endeavours and would welcome Ewen back at Sydney University Sport in the future. I am happy to be contacted regarding Ewen Munro.

Yours faithfully

A handwritten signature in blue ink, appearing to be "J. Curzon".
